

ACF Water Management GAPS Analysis

12/11/13 Caucus Review/Input

GOALS

- GAPS Analysis
 - Identify current water management activities in ACF, gaps and opportunities for a transboundary water management institution
- This Meeting
 - Provide input on first “book” draft of GAP Analysis
 - Look at four “sample” functions for content/organization/level of detail
 - Help us corral a few other unwieldy functions—recreation, education, coordination, power
 - Determine next steps
